**NOTE:** These universes are designed specifically for the targeting the projected turnout of the November 2009 elections by focusing first on previous November odd year elections. Notice that in most of these universes we have taken special consideration of the 11-05 election. Because the 11-05 election was also a statewide special election it had an inflated turnout that was significantly higher than previous November odd year elections. If you would like to receive additional universes, please contact us with your specific requirements.
